

With your 7 day Achensee card you can, during regular opening hours, and as often as you like, enjoy any of the following activities and attractions!

Enjoy breathtaking journeys up the mountains on the Rofan or Karwendel cable-cars, sail across Tyrols largest lake - the Achensee - on one of the Achensee ships, experience an unforgettable trip on Europe's oldest steam cog-train, enjoy wandering through the village museum in Achenkirsch, the St. Notburga museum in Maurach, the tractor museum between Maurach and Pertisau and through the famous Crystal Worlds in Wattens.

Where the Achensee card can be obtained:

- The Rofan cable-car in Maurach
- The Karwendel cable-car in Pertisau
- The village Tourist Offices in Achenkirsch, Maurach and Pertisau

The Achensee Card costs EUR 52,00 for adults and EUR 26,00 for children born between 1995 and 2003 (in adult company). Children born after 2004 travel free-of-charge! It is necessary to bring your valid visitors card with you when purchasing the Achensee card. A computer photo will be taken - making your Achensee card your personal card!

There may be an extra charge on divers transport for dogs, paragliding equipment or bikes!

The Achensee card is obtainable with a visitors' card from Saturday the 1st of May until Monday the 18th of October 2010. The card is then valid until the 24th of October 2010! Information over the various opening hours can be obtained when purchasing the Card.

Unfortunately, there is no refund on the Achensee card should any of the museums or cable-cars be out of order or closed!

The Achensee card is only valid during regular opening hours - no evening or special events!

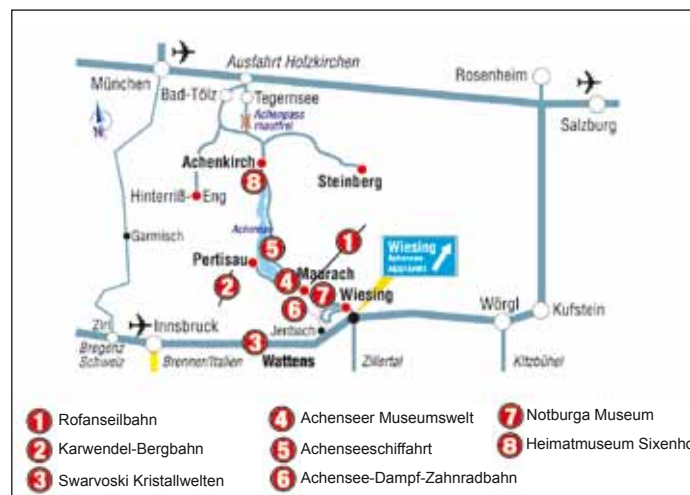

Where does one obtain a visitors card and free bus pass?

The visitors card and free bus pass is obtained, on arrival - in your hotel or boarding-house! (Naturally, it is unnecessary for children under the age of 6 to have a bus-pass).

The bus pass is only valid when the front side of the card is correctly filled out, for example, with departure date (the expiry date), both fore and surnames, and the number of the visitors card. The pass should hold the hotel stamp and signature of the guest on the reverse side!

The regional bus service is free-of-charge to all visitors in the Achensee Region - Achenkirsch, Maurach, Pertisau and Steinberg, within the Achensee Region, by showing their valid white bus-pass!

The regional busses travel regularly between the villages Achenkirsch, Steinberg, Maurach, Pertisau, Wiesing and Jenbach. Timetables are available in the Tourist Offices!
